Congratulations Seniors

Congratulations to each one of you!

You have completed a period in your lives that has been challenging and difficult, perhaps even frustrating, but you demonstrated the tenacity to set a goal and reach it. You have every right to be proud.

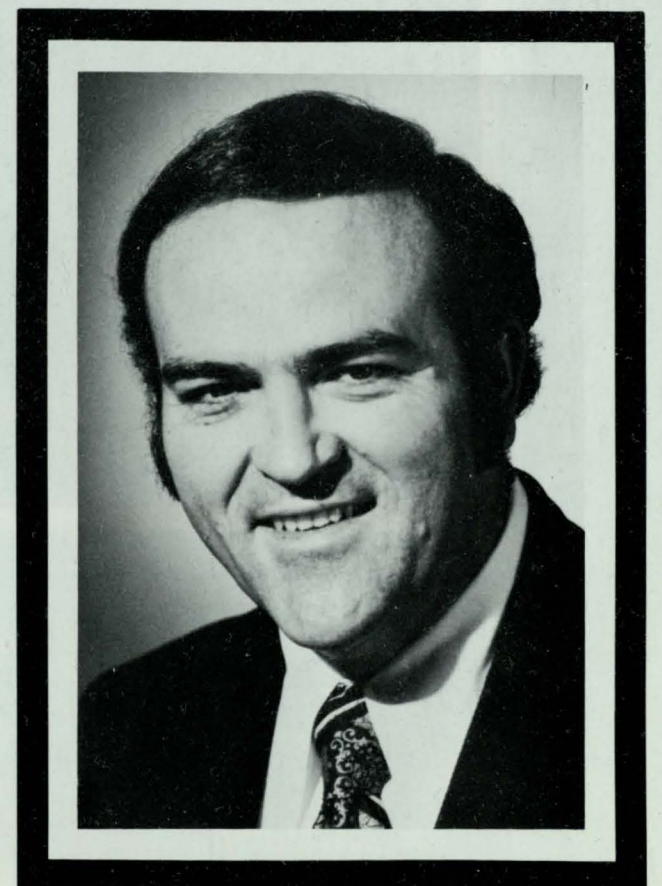

California State University, Fullerton is proud of you as well. We who will remain here at the University know that you go forth on your pathways to the future as our representatives. You and the University have a partnership in all that you do that reflects on us both.

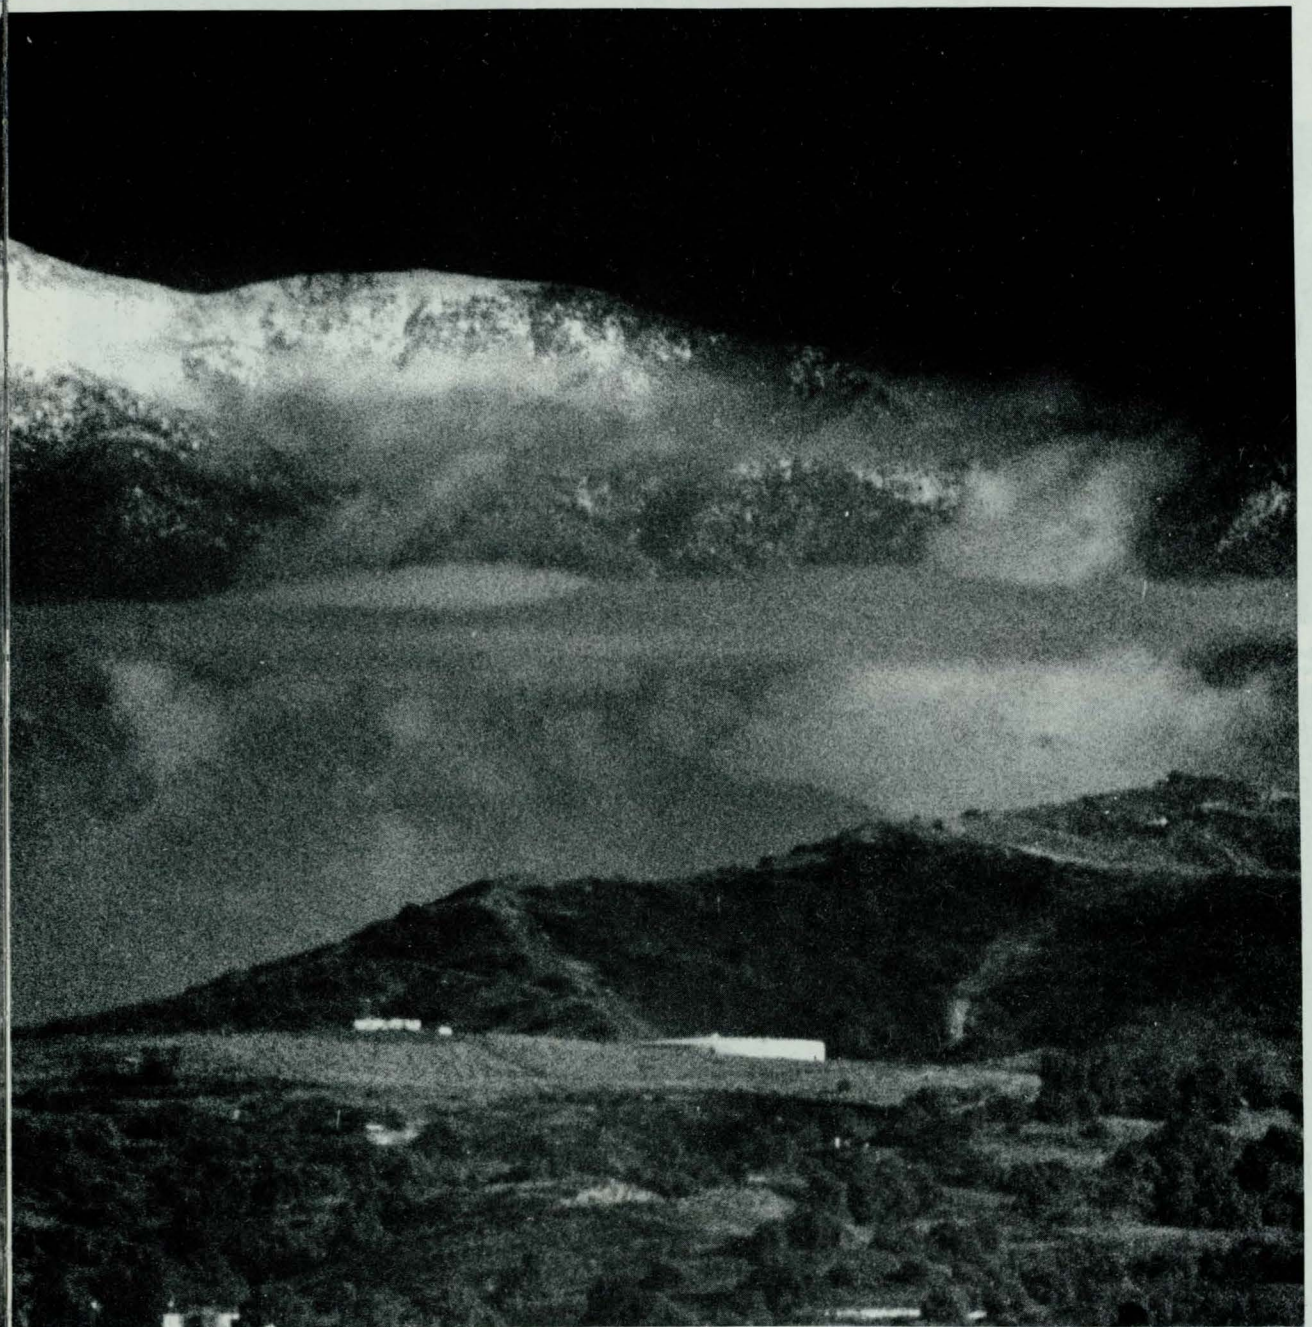

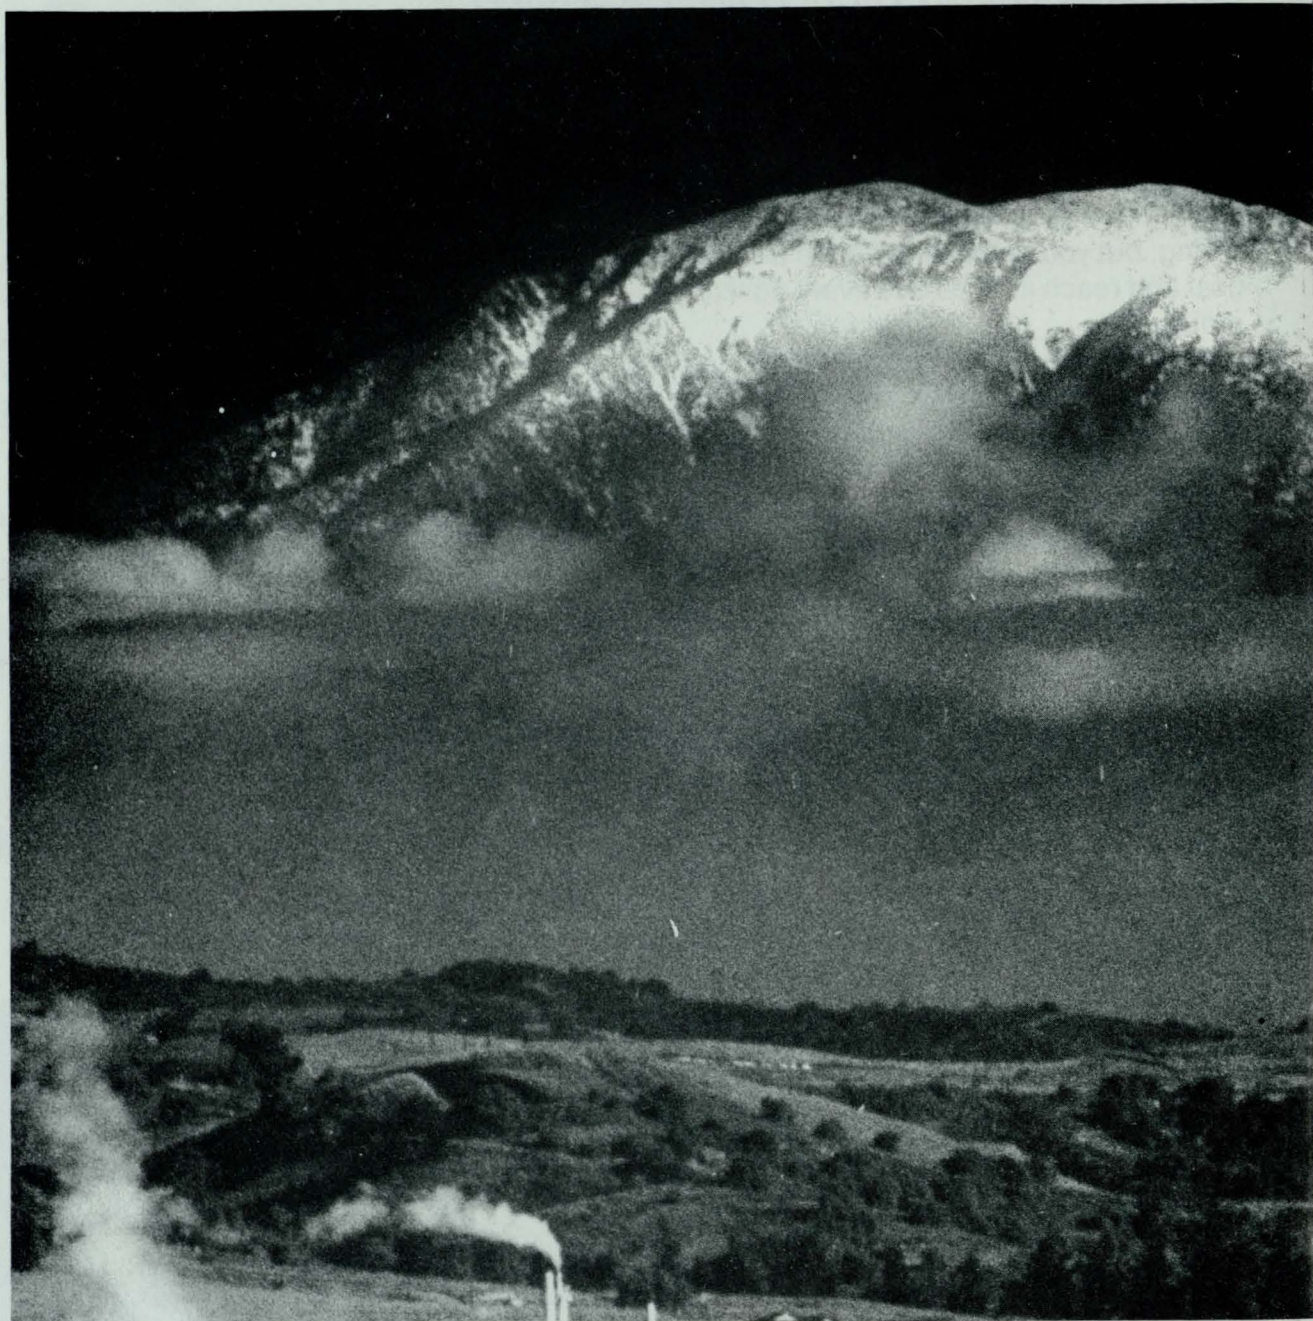

This institution's goal is to provide you with a qual-

ity education. The dedicated faculty provides you with the tools you need to build your career and life. Your experiences here on this campus are part of your preparation for the future.

We hope this annual reflects a range of the activities that represent your campus life and that it will serve to recall pleasant memories. Good luck!
